2014 PHENOM 300

50500204 / N300HY

SPECIFICATIONS

HIGHLIGHTS

This exceptionally well-maintained aircraft has benefited from just two U.S. owners since new and has been professionally flown and maintained throughout its life. With very low total time, an outstanding ownership pedigree, and a history of meticulous care, it offers an attractive combination of low utilization, excellent maintenance, and long-term ownership continuity. Further enhancing its appeal, the engines, airframe, and avionics are fully enrolled on JSSI Complete and Embraer's Executive Care Standard programs.

AIRFRAME

1474.5 hours / 829 landings (as of 06/05/2026)
– EC Standard (no deferments)

ENGINES

1474.5 hours / 829 cycles (as of 06/05/2026)
– JSSI Complete (no deferments)

EXTERIOR

With an Akzo Noble Chevron White base, this Phenom 300 is accented by sweeping Royal Blue and Manhattan Grey stripes that complement the aircraft's sleek profile. The clean, contemporary design delivers a polished, professional appearance while maintaining a distinctive presence on any ramp.

INTERIOR

Well-appointed in a contemporary color palette, the cabin features Heritage Tornado leather seating complemented by Cappuccino nubuck leather side ledges and dado panels. Quarter Figure Sapeli veneer cabinetry is accented by Antique Nickel and Anodized Black trim, while Milkweed Ultraleather sidewalls and headliner create a bright, comfortable cabin environment. Ops Loop carpeting and Whole Wheat window curtains complete this clean, balanced interior design.

ABOUT US

ERIC HAMMER

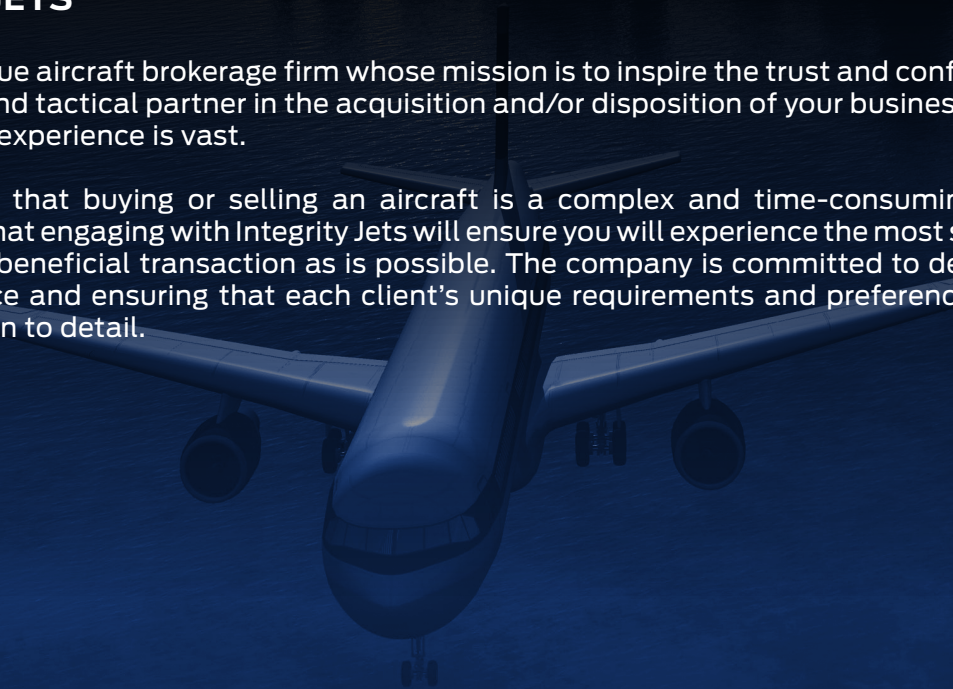

Eric began his career serving in our nation's space program as a Flight Dynamics Officer in NASA's Mission Control Center in Houston. After 11 years with NASA, Eric moved in an entrepreneurial direction to begin his journey in aircraft sales. After 5 years leading a Cessna Caravan dealership, 3 years as an Area Sales Manager for Cessna selling new Citations, then 10 years leading Embraer's pre-owned aircraft sales efforts, Eric served on the Elliott Jets sales team as an Executive Sales Director representing buyers and sellers of all brands of turbine powered aircraft. All of this experience has culminated in the launch of Integrity Jets in 2024.

Eric is also a 20 year veteran of the Navy Reserve, a commercial multi-engine instrument rated pilot, and a 5-time National Champion powerlifter. In his spare time, Eric enjoys spending time with his wife and two children, snow skiing, boating, and generally anything involving the outdoors and nature!

INTEGRITY JETS

We are a boutique aircraft brokerage firm whose mission is to inspire the trust and confidence needed to be your strategic and tactical partner in the acquisition and/or disposition of your business aircraft. Our name is new. But our experience is vast.

We understand that buying or selling an aircraft is a complex and time-consuming process, and our expectation is that engaging with Integrity Jets will ensure you will experience the most stress-free, efficient, and financially beneficial transaction as is possible. The company is committed to delivering exceptional customer service and ensuring that each client's unique requirements and preferences are met with the utmost attention to detail.

SERVICES

BROKERAGE

With the bedrock of more than 30 years of aviation experience and hundreds of completed turbine-powered aircraft transactions, Integrity Jets provides our clients with the expertise to perfectly position your aviation assets and optimize your returns in today's increasingly dynamic aircraft market.

ACQUISITION

With a background as respected transactional specialists at the manufacturer, institutional, and individual levels, Integrity Jets specializes in the identification of pre-market and new-to-market aircraft, and we pride ourselves on our ability to understand and exceed our client's expectations at every turn.

MARKET INTELLIGENCE & ANALYSIS

With a vast global network built over decades in the industry, along with boots-on-the-ground operational effectiveness, Integrity Jets delivers real-time market data and analytics to provide our clients with the best tools available to protect your interests and ensure the best outcomes.
